Foreword

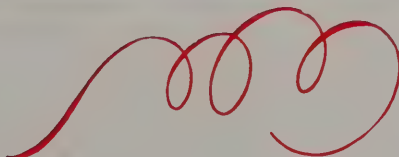

As this year comes to a close, our spotlight focuses on the achievements of our three years at Thomas Jefferson and catches in its gleam the various rewards of high school life. Brightest of all, our coveted graduation diploma shines in its light. Then the beam shifts to highlight the point system award, the competitive drill trophy, and the athletic letter, each won through outstanding efficiency or skill in a certain field. In addition for those who do not hold a position of responsibility, making a good grade on an important test, forming a lasting friendship, experiencing pride at the favorable outcome of a football game, and having a good time at a school dance cause a feeling of satisfaction, which we hope to arouse by recording scenes about school. These accomplishments, both the great and the small, make up the life we have known and loved at Thomas Jefferson.

**Thou hast shown a deeper meaning;
Thou hast taught us how to live.**

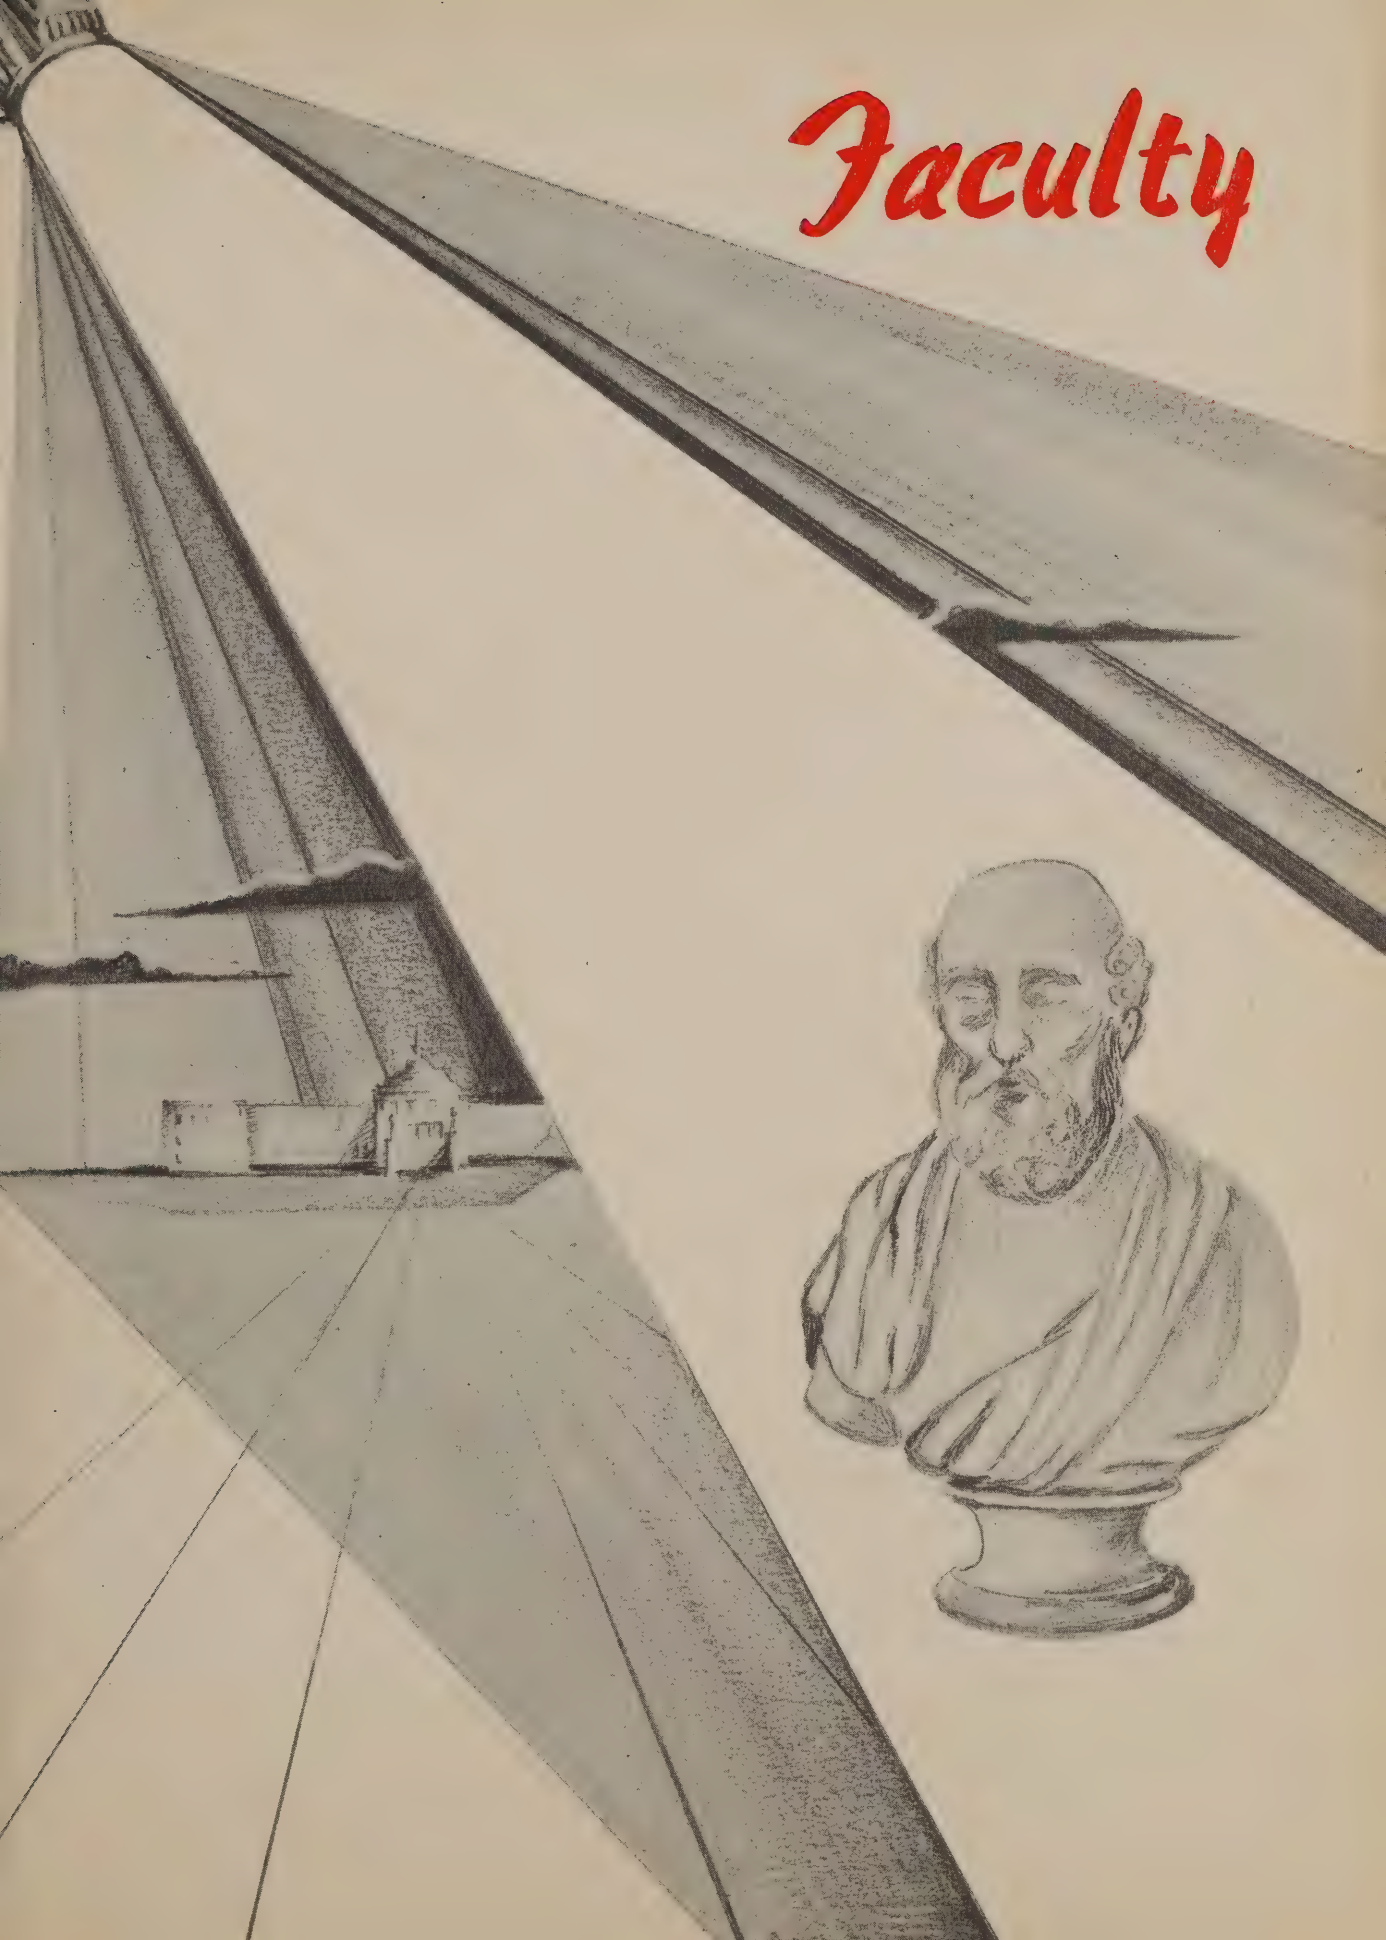

**O, Alma Mater, we will cherish
Fond memories of thee.**

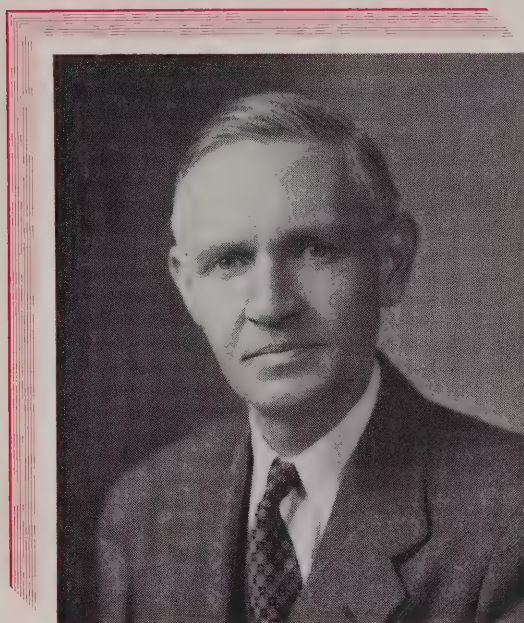

And we are glad to be thy children,
To toast thy future worth and fame.

THE BOARD OF COORDINATION

Representatives and sponsors of all extra-curricular organizations work together for the good of the whole school through the Board of Coordination, which is better known as the B.O.C. At the beginning of each term, the Board draws up a calendar of events to provide a varied and efficient program and avoid any major conflicts in the dates of dances, games, plays, and other activities. Members of the student body and faculty appear before the Board from time to time to suggest a new activity, to present a problem to be solved, or to propose a change which will benefit the school. The members of the Board learn to discuss their problems freely and either to act upon suggestions or refer them to the proper authorities. Without the Board and its lengthy Tuesday meetings, the school could not, and would not, run as smoothly as it does.

THE SENATE

The Thomas Jefferson High School Senate, the executive body of the Student Participation Association, is composed of the S. P. officers, class senators, and class presidents. Its mission is to serve the students in all ways. It regulates committee activities in order to attain the best caliber and the highest degree of service from each participant. Students are urged throughout the school year to enlist for S. P. work. As a further incentive, activity points are awarded for such service, with a total of 120 points necessary for the S. P. medal. The Senate, during its meetings at third period in 408, discusses student problems and refers them to the proper authorities. To receive the students' ideas directly at its headquarters there is a suggestion box on the door of 408. The Senate participates in outside activities to add to the enjoyment of the pupils and to gain new ideas with their interests in mind. For instance, its delegates attend the City Division of Recreation meetings to plan community dances. Representatives are sent to state and district conventions to confer and discuss with students of other schools. This helps in keeping T. J. up-to-date. However, the organization tries, above all else, to coordinate, with a minimum of friction, the student body and the administration.

THE HOUSE OF REPRESENTATIVES

"Government is a contrivance of human wisdom to provide for human wants."

—BURKE

With "You are the link between the home room and the officers of the association" still ringing in their ears from the Student Participation installation ceremony, the representatives from all the home rooms in the school meet in 218 at 3:20 p.m. on the second and fourth Mondays of each month to discuss matters concerning the entire school. By bringing matters to the House and taking answers back to the home rooms,

THE HOUSE OF REPRESENTATIVES

the members form a link between the S. P. and the student body. Under the leadership of "Blue" Bagby, the Vice-President of Student Participation, and Miss Nancy Gary, the faculty sponsor, the House assists the Senate in large Student Participation projects. This year the House members attended the Community Chest Luncheon, sent two representatives to the S.C.A. Convention, and appointed representatives to work on the revision of the point system.

Sixth Row: Robert Tate, Teddy Simpson, George Chumbley, Dale Langford, Sidney Hunter.

THE HOME ROOM PRESIDENTS

The Council of Home Room Presidents meets once a month at home room period. The purpose is to consider the problems that arise in home room organization, and to inform the individual student about the functions of Student Participation. The Council is presided over by a Senate chairman. In the fall semester, this organization endeavors to acquaint every student with the responsibilities of committee members, to tell them how students are checked for performance of duty, and to explain how they are graded for services rendered. The chief project for the spring term is to acquaint the students with the Student Participation Constitution, inform them concerning nominations for officers and senators, and prepare them for intelligent voting on school election day.

"When honor comes to you, be ready to take it."

—O'REILLY

THE CHARACTER COMMITTEE

The Character Committee, now in its fourth year at Thomas Jefferson, was founded by several students who realized a need for the building and molding of finer character. Representatives are chosen from each home room to meet together every other Tuesday at home room period to discuss problems and to set character standards for the school. The steering committee, working with the sponsor and Senate chairman, plans programs and activities for the home rooms. It is the duty of each representative to present these programs to his home room. He may do this either by using skits or quizzes, or by conducting class discussions. The Character Committee set as its goal this year the abolishment of cheating at Tee Jay.

THE HONOR STUDY CHAIRMEN

In an honor study I pledge to be on time, to study all period, not to talk, not to pass notes, and to use the library only if necessary.

Organized fifteen years ago as a further step in self government, Honor Studies, which are now held in seven rooms with twenty-one boys and girls as chairmen, have given students a chance to study under their own supervision. The student chairmen keep silence throughout the period, permit students to go to the library, sign O.K.'s, and see that the members deserve the privilege of being in an honor study. When a student asks to be placed in such a study, he must be approved by his home room teacher, a former study period teacher, and the librarian. Honor studies help greatly in relieving the crowded conditions in regular studies and in releasing teachers from study hall duties for other activities.

"The world that we feel with our
hearts and imaginations."

—LEIGH HUNT

THE RED CROSS COUNCIL

Several changes in the Junior Red Cross program have been made during this year. The Council, which is composed of a representative from each home room, is now a standing committee of the Student Participation Association and has Miss Pitt as its new sponsor. • Believing that world peace can be had only through world understanding the Council, as a new project, is sending through the American Red Cross 100 copies of each issue of "The Jeffersonian" to 51 countries outside our own borders. Each school now receiving the paper will continue to do so as long as that school is interested enough to write or to send copies of its paper. • The Council has continued its former policies by filling boxes and collecting clothing for less fortunate children, preparing gifts for hospitalized veterans, sending groups of entertainers to McGuire Hospital, and adopting two polio patients at the Medical College Hospital. • The play, "Best Foot Forward," was presented by the Dramatics Class for the benefit of the Red Cross. In these ways the Council has attempted to carry out its motto, "We Serve."

THE LIBRARY STAFF

"Literature should stand by itself,
of itself, and for itself."

—DICKENS

The Library Staff is composed of volunteers, acting as assistants to the librarians, who devote a period a day to library work. There are usually two pupils working each period. While one student remains at the desk, receiving and slipping books, signing out books, answering questions, and performing other routine duties, the other student shelves and prepares books and magazines, and assists the librarians in their other duties. By alternating their jobs each week, the student becomes familiar with all phases of library work. A student desiring to act as library assistant should be 2L or higher, should be passing all subjects, and should have an interest in library work.

"Laws die; books, never."

—LYTTON

THE LIBRARY COMMITTEE

Under the sponsorship of Miss Mary E. Goodwyn and Miss Clyde Carter, the Library Committee is composed of twenty-eight students whose duties consist of collecting a library slip from each person who enters the library and seeing that it is filled out properly. These students work in the library every other week during their study periods and home room period. There are no regular meetings, but occasionally meetings are called in order to discuss any business concerning the functions of the library and its committee. Only quiet, considerate, and responsible students are selected to serve on this committee.

Seated: Barbara Jones, Mary Lou Clarke, Marie Marriner, Nancy Gay, Cornelia Sichel, Peggy Dickerson, Anne Dassler, Jerry Longo, Grace Wood, Anne James, Emma Lee Costello, May Gentry, Campbell Hawkins. Fourth Row: Murray Schwartz, Matt Wiltshire, Sidney Hunter, Leslie Huey, Warren Dulaney, Eddie Wayne, Petey Cheek, James Padow, Dick Wagner, Dave Baskett, Edgar Turlington, Bobby Moore, Jimmy Whitten, Bill Meyers.

THE TRAFFIC COMMITTEE

"Nothing is troublesome that we do willingly."

—JEFFERSON

The Traffic-Committee strives to promote safety in the halls and on the steps. With a membership of sixty-three boys, the committee is divided into three shifts which alternate each week. Each shift is divided into six groups of about eight boys each. The captain of each of these groups is responsible for seeing that each boy is on duty. Leaving their classes three minutes before the bell, the boys place themselves so that they can direct traffic in the most efficient manner possible. They keep the students moving on the right side of the hall and try to prevent running. In this way the Committee helps to avoid accidents and keeps order in the halls.

"For science is . . . like virtue, its own
exceeding great reward."

—KINGSLEY

THE LAB ASSISTANTS

The biology and chemistry lab assistants, under the supervision of Mrs. Ruth Paul Browning and Miss Helen Reed Gill, are students who have had either biology or chemistry and are curious to learn more about these interesting sciences. • The biology assistants are responsible for supplying teachers with microscopes, models, charts, preserved material, and demonstration mounts of biological specimens. They also enjoy preparing crayfish, frogs, and earthworms for dissection. • The chemistry lab assistants help the teachers by supplying chemicals and equipment for the classes. • A student interested in this work must be honest, courteous, and dependable, and must be willing to devote one period a day to the work.

THE NURSES AND OFFICE AID COMMITTEES

"Who seeks for aid must show how service sought can be repaid."

—OWEN MEREDITH

The Nurse's Aid Committee provides someone each period to assist Miss Lamb, our nurse, in her duties. The committee is composed of six girls who not only render their school a real service, but also receive valuable training as well. They are headed by a Senate chairman and a faculty sponsor.

"This is our special duty, that if anyone needs our help, we should give him such help to the utmost of our power."

—CICERO

The members of the Office Aid Committee assist in the office by securing needed information, delivering messages, and welcoming visitors to the main office. They also distribute mail, assist late students, and perform many other necessary tasks. The girls on this committee are asked to serve every third week during their study period. This committee is not only useful to the office, but it also gives the students practice in office routine.

"Few things are impossible to diligence and skill."

—SAMUEL JOHNSON

THE AUXILIARY AND GUIDANCE AID COMMITTEES

The Auxiliary Aid is a new committee formed by the S. P. this year to supply substitutes for the other committees when someone is absent. This committee also includes students who serve at the milk bar, those who are on special hall duty at recess, and those who sell school tickets. Mrs. Barbara Robinson sponsors the school ticket committee and the other committees are under the sponsorship of the S. P.

In every period of the day, two girls perform many necessary duties for the counselors in the Guidance Office. Answering telephone calls, looking for students' program cards when requested, and running errands are a few of the helpful services rendered. They act as receptionists and keep the Guidance Office quiet and orderly when visitors call on the counselors.

THE RECEPTION DESK AND BULLETIN BOARD COMMITTEES

"Politeness goes far, yet costs nothing."

—SAMUEL SMILES

As a visitor enters Tee Jay, he is greeted by an attractive receptionist, who sits at the desk in the front hall ready to give information or direct people around the building. Each girl is called on duty every third week from her study period. These receptionists add their bit toward the hospitality of Tee Jay and the efficient functioning of school activities.

"New occasions teach new duties."

—LOWELL

The Bulletin Board Committee, together with the Poster Committee, has the exacting task of keeping the bulletin boards neat and attractive. The Poster Committee designs posters advertising plays and other S. P. activities, and presents them to the Bulletin Board Committee to be posted. These two groups, working together, add to the attractiveness of Tee Jay and bring to the attention of the student body all merited activities.

"Energy and persistence conquer all things."

—FRANKLIN

THE USHER AND MESSENGER COMMITTEES

Every morning at 8:25 the members of the Messenger Committee report to the tower room to receive messages to be delivered to the home rooms. Not only must they deliver messages, but also they must be certain to leave them in a safe place. Working in weekly shifts, this committee is a great help to teachers and club sponsors.

"Nothing is more valuable than courtesy."

—TERENCE

The Usher Committee, sponsored by Mr. Butler, consists of twenty-nine boys, five of whom are substitutes. Ten of the twenty-four regular members go on duty for the senior assembly and the other fourteen for the junior assembly. The duties of the ushers include keeping order at the auditorium doors and seeing that no one enters after the bell has rung. Aside from the regular Wednesday and Thursday assemblies, the committee is called upon to distribute programs or to collect tickets at special assemblies and plays.

THE DAILY REPORTS AND ABSENTEE SHEET COMMITTEES

"Let all things be done decently and in order."

—I CORINTHIANS XIV

Members of the Absentee Sheet Committee receive the lists of absentees from the office and distribute them during the third period to all rooms in the building. The committee is composed of three shifts, each consisting of girls who have volunteered to help the office secretaries. It is sponsored by a member of the faculty, and the chairman is a member of the Senate.

"Give me the ready hand . . ."

—GARIBALDI

The Daily Report Committee assists the office force by collecting from the home rooms each morning a list of the students who are absent that day. Members of this committee must have a first period study and must go on duty every three weeks.

"Light is the task when many share the toil."

THE ERASER AND CLUB AFFILIATIONS COMMITTEES

The Eraser Committee works in shifts of three members, each boy taking care of one floor. A different shift is on duty each Monday, Thursday, and Friday. These boys have a first period study and willingly give up one period a week to collect and clean erasers. In this way they do their part in making our school a cleaner, better building.

"All your strength is in your union."

—SHAKESPEARE

Composed of a representative from each of Tee Jay's clubs, the Club Affiliations Committee assists new clubs in organizing, sets the time and place of meetings, exchanges constructive ideas for programs, and attempts to increase interest and membership in the smaller clubs. Under the sponsorship of Miss Marion Smethie, the committee has recently issued charters to the Key Club and Distributor's Club. The interests of the clubs are presented by the Senate Chairman to the B.O.C. and the House of Representatives.

THE HONOR SOCIETY

"I pledge myself to uphold the high purposes of this society, striving in every way, by word and by deed to make its ideals the ideals of my school and of my life."

- Students initiated into the National Honor Society during impressive tapping ceremonies are selected for membership on the basis of leadership, scholarship, character, service to the school, and ability to work with others. The faculty Honor Society Committee, headed by Miss Harriet D. Snow, receives nominations and comments from teachers and makes the final selection of students. Because of a change in regulations, The Thomas Jefferson Chapter of the National Honor Society is now an honorary organization for high seniors only. Members strive to live up to the high standards of their pledge.

THE QUILL AND SCROLL

The school publications are the medium through which Thomas Jefferson students prove their eligibility for membership in the Quill and Scroll. Truth, Loyalty, Enlightenment, Opportunity, Initiative, Leadership, and Friendship are the aims of these young journalists. Membership in the Quill and Scroll is one of the most coveted honors in high school life. Under the direction of Miss Frances Gray and Miss Mary Maddox, the Quill and Scroll meets on the second Wednesday of every month in Room 113.

THE NATIONAL THESPIAN SOCIETY

"Act well your part; there all the honor lies."

—POPE

The goal of all actors and dramatic students at Thomas Jefferson High School is membership in Troupe No. 741 of the National Thespian Society. This honor comes after a person has earned ten points through participation in plays and backstage work, and has been approved by the troupe and the National Thespian Board. This group's meetings are held in Room 108, and its initiations take place once each term at a member's home. Thespians assist all school groups in dramatic productions. It is a proud moment for a dramatic student when he repeats the pledge, which contains the following excerpt: "As a Thespian I shall discharge to the best of my ability, all assignments given me as a member of the dramatic arts department of this high school."

"Ask how to live?

Write—write—write—anything."

THE DECLARATION STAFF

Semi-annually "The Declaration," Tee Jay's literary magazine, introduces to the public the finest creative works of the school in the form of stories, essays, poems, and illustrations. The staff is composed of students in the English 7x creative writing class under the literary supervision of Miss Azile Berry. The financial side of this magazine is directed by Miss Nancy Gary. The magazine consists not only of the writings of the creative class but also of contributions by students in the various departments of the school—science, music, languages, and Quill and Scroll. The purpose of "The Declaration" is fulfilled when it has presented to the reader the literary accomplishments of our school. This magazine is rated second in the annual contest by the Columbia Scholastic Press Association.

THE JEFFERSONIAN BUSINESS STAFF

"The great art of writing advertisements is the finding out a proper method to catch the reader's eye."

—SAMUEL BOWLES

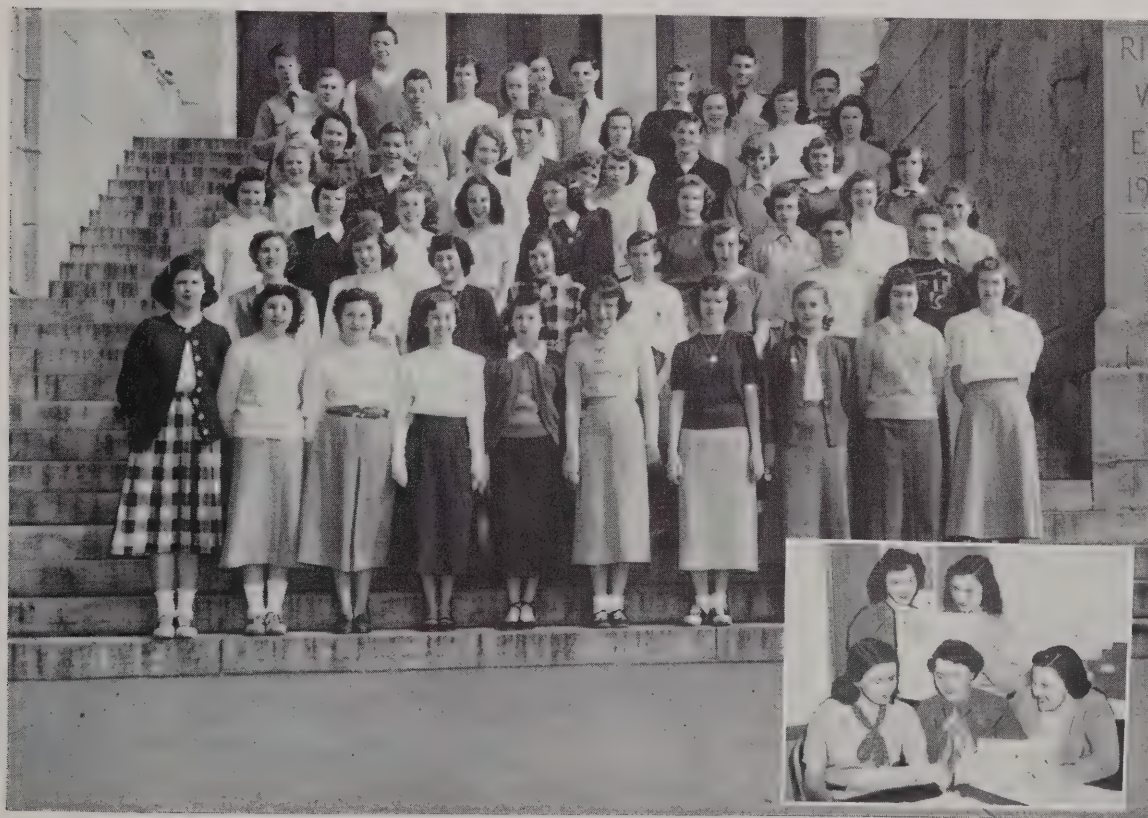

The Business Staff of "The Jeffersonian," headed by Miss Thelma Bryant, is composed of two divisions: Circulation and Advertising. The Circulation Staff supervises the weekly collections made in every home room by lieutenants and captains, and, in addition, mails over 100 copies to school board members, alumni, advertisers, and schools on our exchange list. The Circulation Staff also distributes "The National Echo," a school periodical review for the high school student. This year approximately 1,400 students bought term subscriptions and many subscribed to single issues. Cadet subscriptions were again handled by the companies' first lieutenants. As a result of the fall drive, home room 324 and Cadet Companies "B" and "Band" were the first to announce 100%. Colonel Tyler gave twenty efficiency points to each of the winning companies, and home room 324 received the new Jeffersonian trophy. This trophy was presented to the staff by Miss Muriel Sanders, Business Adviser for the past eight

THE JEFFERSONIAN BUSINESS STAFF

years. Although Miss Sanders retired this year from that position, the high standards attained through her guidance and tireless efforts will be an inspiration for each succeeding adviser and staff.

The Advertising Staff sells advertisements for the space allotted them, draws up the new copy, and lays out the dummy for each issue. A plaque, awarded by Vincent Edwards and Company, the world's largest advertising service organization, was received by "The Jeffersonian" Advertising Staff in the spring of 1947 and 1948 for having won the advertising contest sponsored by the Columbia Scholastic Press Association. The staff devoted a great deal of time to the improvement of the publication and the layout of all advertisements. Because of the Retail Merchants' approval of "The Jeffersonian," the staff has been able to secure advertisements from Richmond's leading stores.

THE JEFFERSONIAN LITERARY STAFF

"Journalism has already come to be
the first power in the land."

—SAMUEL BOWLES

To the many people who may believe that getting out a paper is a simple process, The Jeffersonian Literary Staff issues an invitation to visit the staff room on a Jeffersonian work evening. Although informing and entertaining the school through a newspaper is a difficult task, the staff enjoys this work and would like the school to know a little of what goes on behind the finished pages of "The Jeffersonian." • The Jeffersonian Literary Staff is composed of three separate sections: news, sports, and features. Each section has an individual setup, and the combined efforts of the three staffs, under the direction of Miss Mayo Provence, produce the bi-weekly newspaper during

THE JEFFERSONIAN LITERARY STAFF

study periods and "work evenings." News and sports editors plan and edit their pages during fifth period, and feature people work during sixth. Although it is not necessary for reporters to have a Jeffersonian study, it is very beneficial. • A student becomes a member of the Literary Staff through the journalism class. While he is taking this class, any good article he writes is published. Sophomores and freshmen who wish to work on the paper serve as cub reporters. • The Literary Staff also includes typists and photographers, who are indispensable to the production of the paper. Cartoons and comic strips are done by members of the staff and art classes. • "The Jeffersonian" is a member of three press associations and has received the Gallup Award and top honors from the International Quill and Scroll Society.

THE MONTICELLO LITERARY STAFF

"Enough if something from our hands have power
To live, and act, and serve the future hour."

—WORDSWORTH

"The Monticello" Literary Staff settles down to business at the very beginning of the school year, for producing a school yearbook requires months of concentrated effort on the part of every member of the staff. In order to present a composite picture of every phase of school life, a specific section, such as faculty, athletics, and military, is designated for each person. His work thereafter is spent on his special division, except on Mondays, when the entire staff assembles in 332 to discuss such matters as theme, color, and general make-up. • "The Monticello," in its seventeen years of existence, has progressed from a rough-paper magazine to a handsomely bound volume of which we are exceedingly proud. Further cause for pride is the high rating with which our annual has been honored in recent years by the three different press associations of which it is a member, and with which we hope it will continue to be honored in years to come.

"Economy is the Science of avoiding unnecessary expenditure, or the art of managing our property with moderation."

—SENECA

THE MONTICELLO BUSINESS STAFF

"The Monticello" Business Staff, meeting every Friday in Room 107, is faced with a busy schedule each year. Under the careful supervision of Miss M. Frances Gray, it is able to accomplish many feats. During the fall term, senior class picture appointments must be distributed, and junior class and club pictures must be taken. November finds the staff taking orders for annuals and arranging to mail them to February graduates. During the entire year, members solicit ads, check advertising proofs, and collect money to finance the annual. Distributing "The Monticello" is the task especially enjoyed because of the satisfaction felt upon the completion of a hard job.

THE ORCHESTRA

"Music is the universal language of mankind."

—LONGFELLOW

The students at Thomas Jefferson who are musically inclined can develop their skill and talent in the Orchestra under the direction of Mr. Frank Wendt. This year the Orchestra has played for the Community Chest, the Virginia State Teachers' Convention, and the Spring Music Festival of the Richmond Schools. Many of the members also took part in the Band Clinic. The more advanced pupils playing string instruments are given the thrill of participating in a large symphony while attending the State String Clinic. Not only do these music-lovers get credit for this class, but they also give enjoyment to many people.

"Music and rhythm find their way into the
secret places of the soul."

—PLATO

THE JEFF CLEF CLUB

The purpose of the Jeff Clef Club is to build and maintain an interest in all types of music. Meetings are held on the second and fourth Wednesdays of each month. Some programs are presented by guest artists; at other meetings records are played and discussed. Among the most enjoyable programs are those presented by the members themselves. The club adviser is Mr. Alton Howell.

THE A CAPELLA CHOIR

"A concord of sweet sounds."

—SHAKESPEARE

The A Capella Choir, composed of sixty-five voices, is our most advanced singing class. Members are chosen from other choral groups because of their outstanding ability. The choir has had a busy year singing for Chandler Junior High School, McGuire's Hospital, Camp Lee, the Kiwanis Club, and other civic groups, as well as assembly programs. In addition to public performances, the choir attempted to attend concerts given here in Richmond. A large number were present at the Rise Stevens concert and the Robert Shaw Chorale. The choir gave Christmas and spring concerts with the Orchestra.

"In sweet music is such art."

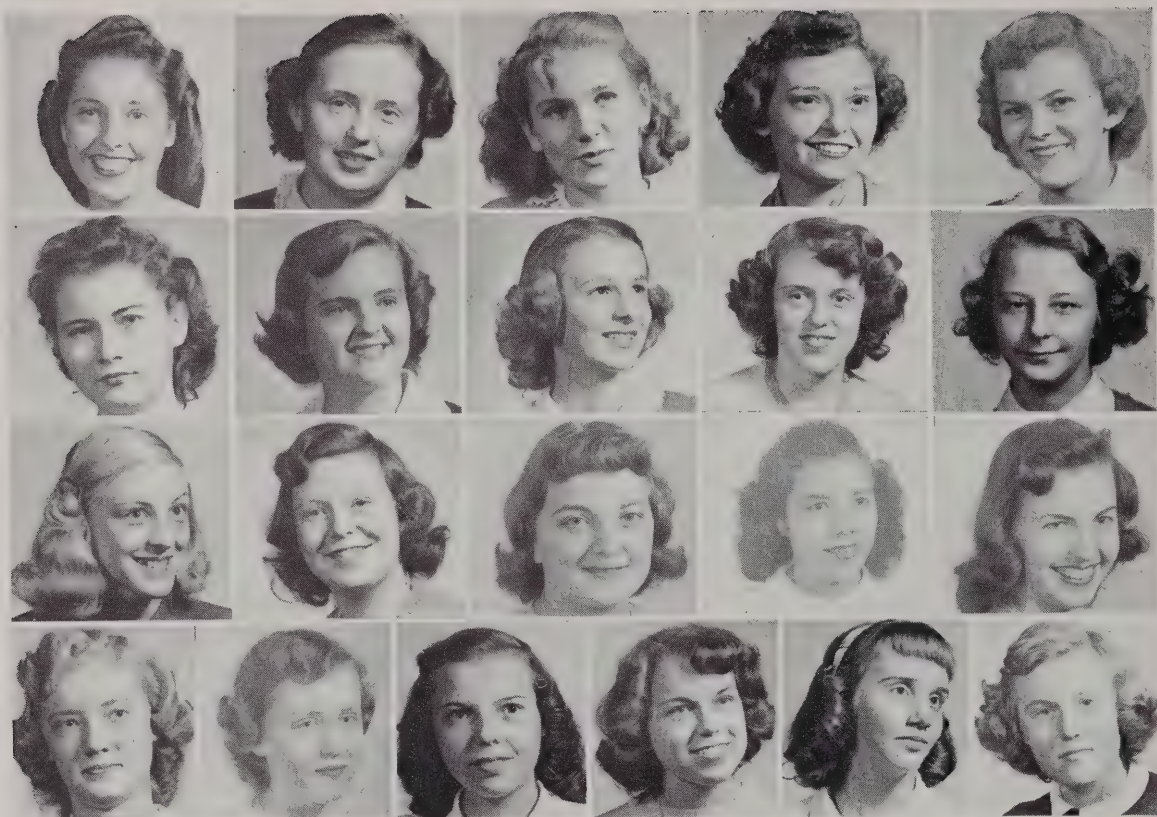

—SHAKESPEARE

THE GIRLS' GLEE CLUB

The Girls' Glee Club, under the direction of Mr. Howell, meets during the first period each day. The club is self-governing, and the following officers were selected: Anne Minor, President; Loretta Lucas, Secretary; and Barbara Boyd, Librarian. In addition, Section Leaders Barbara Whaley, Roberta Hagan, and Betty Anne Steele were responsible for the first soprano, second soprano, and alto sections, respectively. Fridays are given over to student participation programs, and a large percentage of the members appear as both instrumental and vocal soloists and ensemble singers. • The club keeps up with local artists' concerts and each week a famous artist is presented by the use of records as the "Musician of the Week." In addition to participating in a spring assembly, the club sang in the Christmas concert as the echo choir.

THE Y-TEENS Triangle I

"We, the younger generation,
Are striving now to build a
better world."

The Y-Teens are junior members of the Y.W.C.A. Tee Jay's Triangle I is only one of the many groups in nations all over the world. Y-Teens believe that youth has a definite part to play in the world today and spend much time discussing other races and people. There is also fun in the Y-Teens, with dances, slumber parties, and picnics. Playing an important part in the life of the school this year, they have performed monitorial duty in the cafeteria and have sponsored better conditions in the girls' rest rooms. Miss Grace Rowe is faculty sponsor of Triangle I, and Miss Elizabeth Conwell of the Teen-Age Program of the Y.W.C.A. directs the group.

"Peace and unity—Freedom and Brotherhood—
These we have set to be our goal."

THE Y-TEENS Triangle II

Triangle II of the Y-Teens, sponsored by the Y.W.C.A., is a club which is open to any girl who desires membership. The group strives to create closer friendships between the members, with a Christian spirit toward everyone. Service projects for various worthy institutions are promoted. The members also serve on the Recreation Hall Committee and aid in school projects whenever called upon. Informative and humorous programs are presented by outside speakers and by the members themselves at the meetings which are held every other Tuesday. The club is under the direction of Miss Elizabeth Conwell of the Y.W.C.A. and Miss Suzanna Farley, the faculty sponsor.

THE HI-Y • CHAPTER I

"Character through service"

The Hi-Y started off this term with two programs to help make T. J. a better place in which to live, one on cleanliness of the school and the other on honesty. Their first social event was the annual Victory dance after the T.J.-J.M. game. This was followed by outings and many other social events. The Hi-Y was represented in the Y.M.C.A. Basketball League. The Hi-Y also helped in the cafeteria and sponsored the all boys' assembly. The money made at our social functions was not spent entirely for pleasure. A large sum was given to such charities as the Red Cross, the Community Fund, and the Christmas Mother. The Tee Jay Chapter I Club was sponsored by Mr. Joseph Uram and the Y.M.C.A. In all, the term was very successful. The members feel that they have fulfilled the Hi-Y pledge, which is "To create, maintain, and extend throughout our school and community, high standards of Christian character."

"To create, maintain, and extend throughout the school and community high standards of Christian character."

THE HI-Y • CHAPTER II

Hi-Y Chapter II is a club for Tee Jay boys sponsored by the Central Y.M.C.A. and Mr. Harry Woody, faculty adviser. The club's main project this year was to send visual-aid equipment to Korea. In order to further this cause the "Saints and Sinners Sock Hop" was given at the Y.M.C.A. To build up school spirit, we sponsored the annual Pep Rally for the T.J.-J.M. game. The entire club served on the Cafeteria Committee, and assemblies were given for the betterment of the school. The club contributed money to various charitable organizations, and took a group of underprivileged boys to Club Richmond on a fishing trip and outing. The club's motto is "Character through Service," and the pledge is "To create, maintain, and extend throughout the school and community high standards of Christian character."

THE JUNIOR CLASSICAL LEAGUE

"Scientia est potentia"—Knowledge is power.

The Junior Classical League met on the first and third Tuesdays of each month with the purpose of promoting a better understanding between Latin students and their teachers. The initial meeting was an exciting Latin treasure hunt which proved to be lots of fun. The club had a Christmas party at Ann Skinner's home. Even a Roman feast could not have been as much fun. The members attended a lecture at the Museum of Fine Arts, followed by slides of the Romans. Another party was held April first at the home of Beth Poteet, and a gala picnic was given at the end of the term. Weekly meetings were short business ones or entertaining meetings, usually followed by refreshments. The officers were President, Ann Stuart Hartz; Vice-President, Carole Hughes; Secretary, Bettie Foster; and Treasurer, Neal DeWitt.

"When thought is speech and speech is truth."

—SCOTT

THE FORUM CLUB

"Comparisons in the Governments of Modern Nations" was the topic the Forum voted to concentrate upon this year. However, many other subjects of current interest were brought up in the meetings on the first and third Wednesdays of each month. In November a mock election was held on the same day that the whole country went to the polls to elect a President. The election helped stir up the interest of students in political affairs. Other programs of wide interest to all were planned on such subjects as the Civil Rights question. The Forum also participated in various outside activities, such as a panel discussion at John Marshall High School. • The Forum meets in 109 under the sponsorship of Mr. Fortna with Miss Brandenburg as assistant sponsor. The aim of the Forum is to make the members and other students more aware of current and historical events.

THE KEY CLUB

"We build."

The Key Club, an international high school organization, was founded at Thomas Jefferson in the spring of 1948, and is sponsored by the Kiwanis Club of Richmond. The objects of the Key Club International are as follows: to develop initiative and leadership, to provide experience in living and working together, to serve the school through its administrative officers and the community, and to prepare for useful citizenship. Requisites for membership include high scholastic standing, leadership ability, and fine character. With "We Build" as its motto, the entire club has served this year on the Recreation Hall Committee. To promote closer relationship between the Key Club and its sponsor, two members of the club attend the Kiwanis luncheon meeting at the John Marshall Hotel each week.

"The business of America is business."

—CALVIN COOLIDGE

THE COMMERCIAL CLUB

Each year more and more people become interested in the vast field of commercial work. Therefore, the Commercial Club, which has the distinction of being the oldest club at Thomas Jefferson, was organized in order to keep those interested well informed about the business world of today and its opportunities. Work and play are equally divided, since our meetings consist of talks on business subjects, trips to business concerns in Richmond, or socials, outings, and parties. • The club has been sponsored for a number of years by Miss Helen Botto.

THE LATIN AND SPANISH CLUBS

"Vincit qui laborat"—He conquers who labors.

The new name chosen for the Latin Club this year is the Olympian Council. On this lofty plane, meetings are held every other Monday in 107 during the first period. Naturally any mere mortal entering this sacred group undergoes certain mystic initiations to prepare him for participation in Latin games and conversations. These are led by Miss Gray, who sponsors the club and takes the place of Jove with Olympian dignity. Beverley French is the goddess who was chosen president this year. The program chairman plans our programs with the wisdom of Minerva so that the meetings are a combination of work and inspiration.

"Aprendemos divertiendonos"—We learn while having a good time."

"Los Gringos," the Spanish Club, meets after school in Room 309 on the third Tuesday in every month. Students who are interested in learning more about the customs of our Latin American neighbors become members and enjoy various types of programs. One month the club may hear a speaker who has spent many years in South America; at another meeting, Spanish music may be the subject discussed.

"Books are the windows of our souls."

THE BOOK AND SPEECH CLUBS

Boys and girls who are interested in literature enjoy the varied and pleasant activities of the Thomas Jefferson Book Club, which meets after school in Room 206. The main purpose of this club is to stimulate appreciation of good literature. On the third Tuesday of each month programs are presented by guest speakers, members, or the Dramatics Class. This year, under the guidance of Miss Esther Singleton, the Book Club emphasized National Book Week and sponsored a contest for the entire school. At one of our meetings "Finding Ourselves in Books" was discussed by Thomas P. Ayer, an official of the Richmond Public Library.

"Speech is power—speech is to persuade,
to convert, to compel." —EMERSON

The Speech Two Club meets every Monday morning during class period for the purpose of learning parliamentary procedure. Meetings are conducted according to standard parliamentary form in order to teach the proper way of transacting business. A program pertaining to speech concludes each meeting. • Officers are elected in every fourth meeting in order that everyone may learn well the duties of at least one office. • This year the club presented a program in assembly to show the students the value of the speech course.

THE DISTRIBUTORS' CLUB

"Let everyone engage in the business
with which he is best acquainted."

—PROPERTIUS

The Distributors' Club of Thomas Jefferson High School, under the sponsorship of Mr. George Butler, has eighteen active members. The club meets in 323 on the second Tuesday of every month during class period. • The purposes of the Distributors' Club are to inform members of the vocational opportunities in today's business world by having successful business men visit the club and talk before the group, to make social and business contacts with other schools in this field, to understand employers' problems, to keep members informed of current events in the retail field, and to develop leadership among those present. • When these requirements are met, the club becomes a member of the Associated Distributors' Club of Virginia. Upon the approval of the Virginia club, Tee Jay's club becomes a member of the Distributors' Club of America, which is a national organization.

THE RIFLE TEAM AND HONOR COURT

With the relaxation of the war restrictions on ammunition, the Thomas Jefferson Cadet Rifle Team was reorganized in February, 1947. Since that time the team has made much progress, firing in many matches and participating in intercity matches. Our score now stands about half won and half lost. • Since September, 1948, Sergeant McAbee on duty with the instructor's office at the Grays' Armory, has been our coach. Recently the rifle range has been made over, and it is hoped that practice and results will continue to improve.

The Honor System of the Thomas Jefferson Corps of Cadets is designed to instill in the cadet a true sense of "Courage, Conviction, Consecration" and to further the desire of each cadet to develop within himself a feeling of self-respect and pride. • In order to achieve this goal, each Cadet must resolve to implant these standards within himself, for a system of honor is the very life of the Corps, the foundation for its system in training, and the support upon which rests the morale and spirit so prominent in the Corps of Cadets. These goals are upheld by the Cadet Corps Honor Court.

THE CADET CORPS GLEE CLUB

The Cadet Corps Glee Club is composed of approximately fifty boys, chosen from the Cadet Corps. This organization meets during home room period and is under the direction of Mr. Alton Howell. The Glee Club was just organized this year but participated in the Armistice Day Assembly program. In the future Mr. Howell hopes that some combined numbers and concerts may be done with the Band and that they may take trips to other schools in the State.

THE CADET CORPS

The Cadet Corps started off its activities this year with a rating of "Superior" which was received last year from the government inspection. This year's inspection was held on April 25. While the returns of it are not available, it is hoped that the rating that was obtained last year will be maintained.

Training classes were held for the entire corps under the direction of Captain Clinton E. Jones, Assistant Commandant. This course included lessons in drill, courtesy, command, map reading, first aid and sanitation, marksmanship, and nomenclature of the rifle and small unit tactics.

The Semi-annual Competitive Drill was held in the Grays' Armory on January 15, 1949. The trophy, presented by Green and Koegel, was won by Company E.

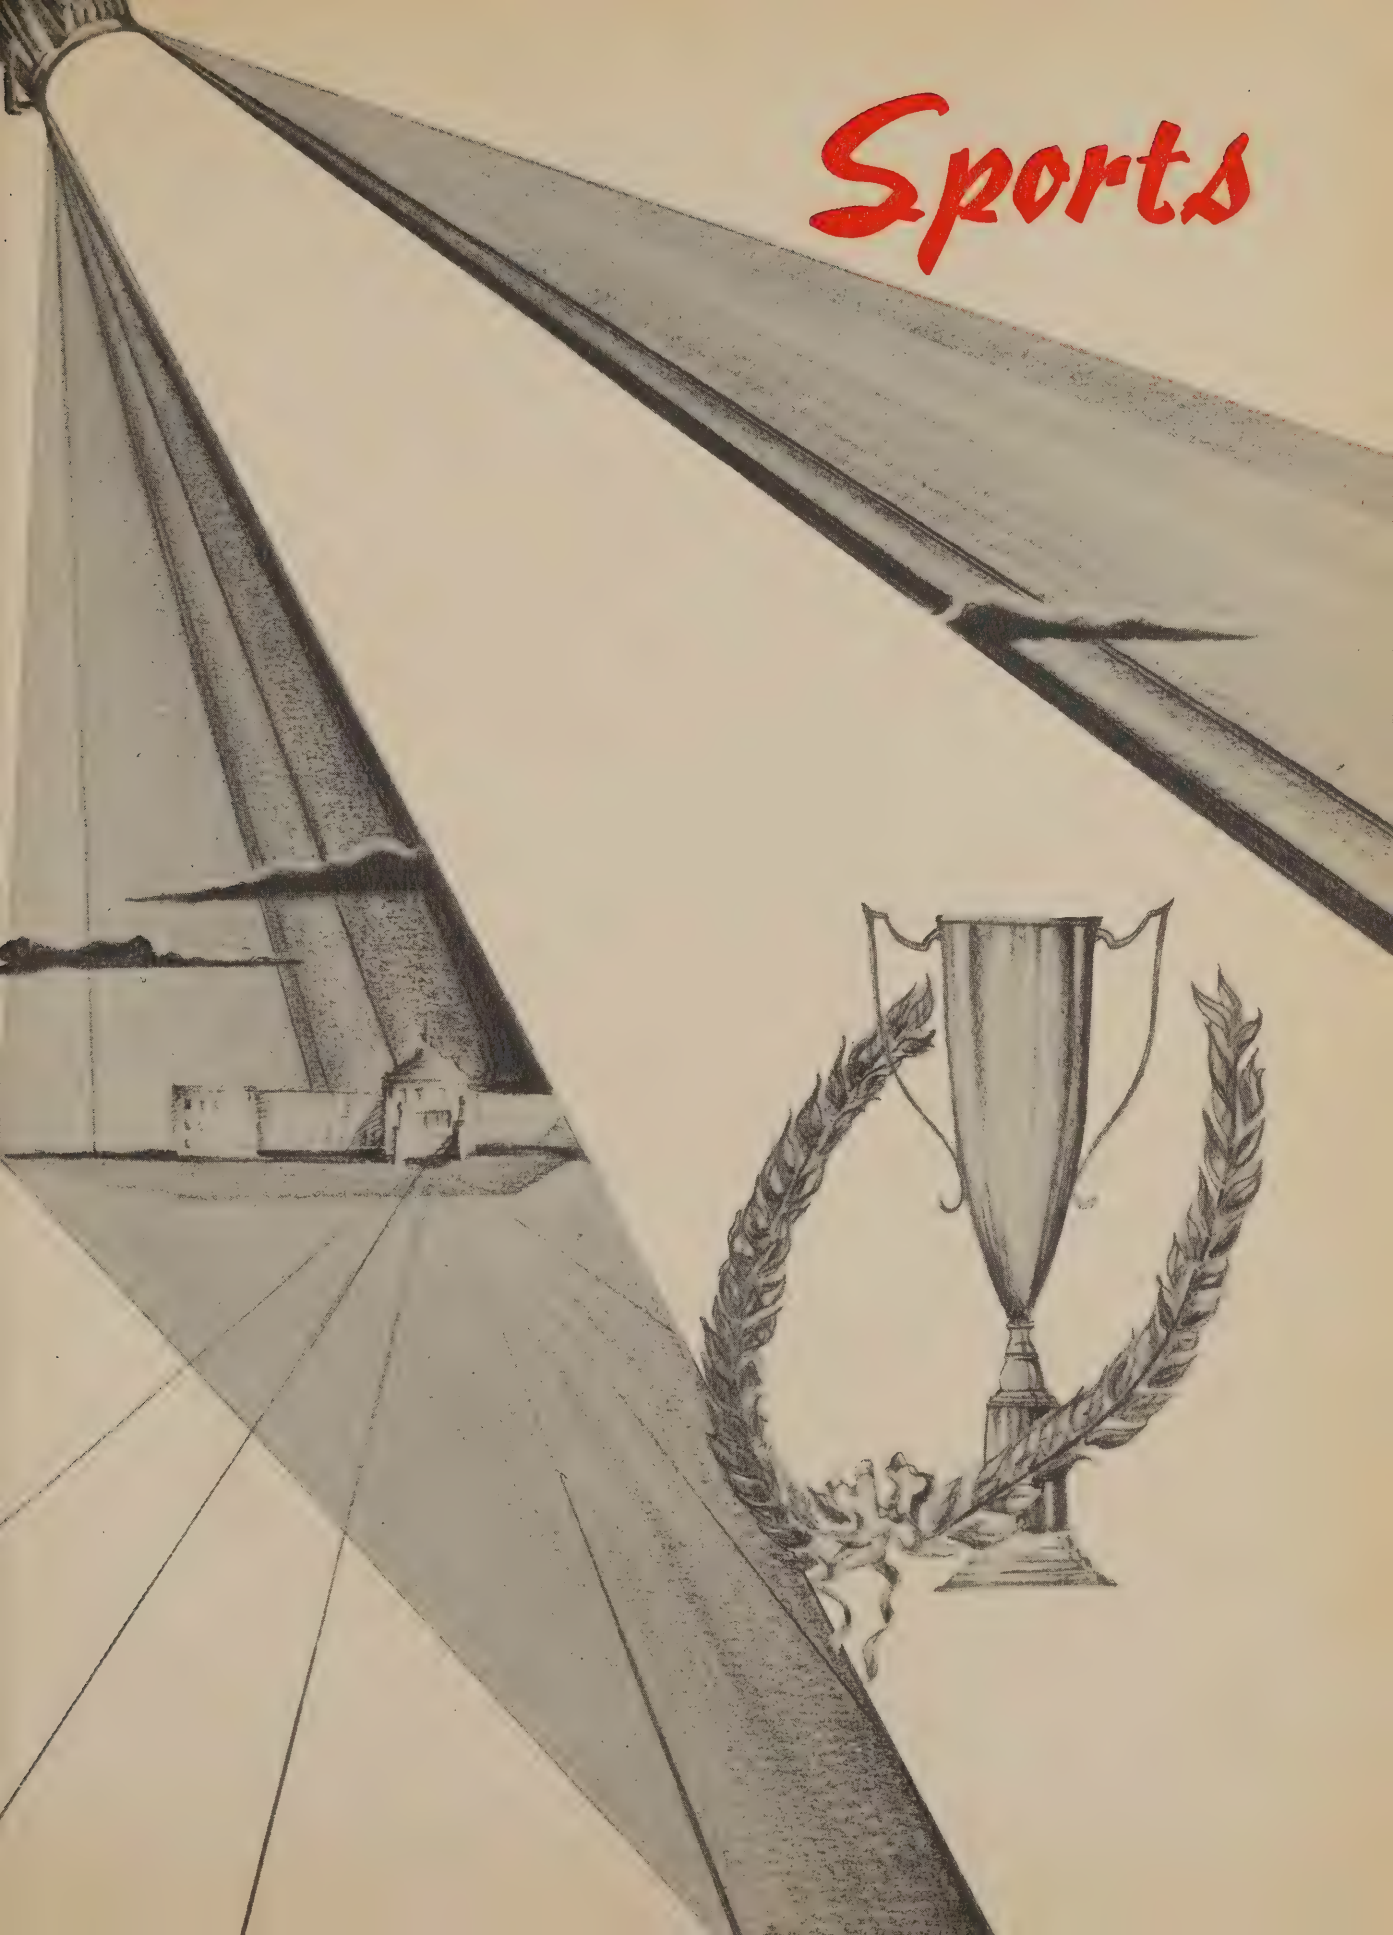

The rifle team has been under a new instructor, Sergeant McAbee, of the National Guard. The team has been practicing about once a week in the range at the Grays' Armory.

Intramural sports play an important role in the average Cadet's life. As in previous years, the intramural basketball league was held in the Hill School Gymnasium every Wednesday night. The Band won the trophy presented by the West Richmond Business Men's Association.

Included among the social activities of the corps were two Cadet Hops, with elaborate figures directed by Mr. Harry A. Woody, the Corps' Counselor, and two Sponsors' Days. On the evening of April 6, 1949, the entire corps participated in Army Day with a night parade. The Band, Staff, and Color Guard, with John Marshall's Band, Staff, and Color Guard, participated in the dedication of a plaque to John Tyler, tenth President of the United States, in the Capitol Square on April 12. The Band also attended the Apple Blossom Festival in Winchester, Virginia, on April 29. The entire corps again this year attended the First Baptist Church in honor of two great generals, Lee and Jackson. Dr. Theodore Adams, our Chaplain, delivered the sermon.

The efficiency cup awarded in June of last year was won by Company F. This year's results are not yet available.

END! TACKLE! CENTER! GUARD!

This year a highly school-spirited group of cheerleaders supported the "Big Red Team" throughout the year. By cheering at every home game and traveling to Salem, Hampton, and Hopewell, they upheld the spirit of ole Tee Jay. In victory or defeat they were always on hand to offer encouragement with their enthusiastic cheering. ★ Heading the peppy bunch this year were Betty Stephenson and Ronnie Blankenship, assisted by Jackie Pittman, Sidney Hunter, Shirley Emerson, Jack Irons, Shirley Kay, Tommy Gulick, Charlotte Breeden, Thomas Shipp, and Eugene Justice. ★ The decorating of the stadium for "the big game," the ride around the asphalt track in a shiny convertible, the outing in the spring, and particularly the thoughtfulness and guidance of their sponsor, Miss Susanna Farley, will never be forgotten by these cheerleaders. ★ On hand next year to head a new group of snappy cheerleaders and lead the crowds when the strains of "Jeffersonians" again fill the air will be Lou Moss and Jimmy Leach.

PRESIDENTS WITH EXPERIENCED BACKFIELD POST 4-4-1 RECORD

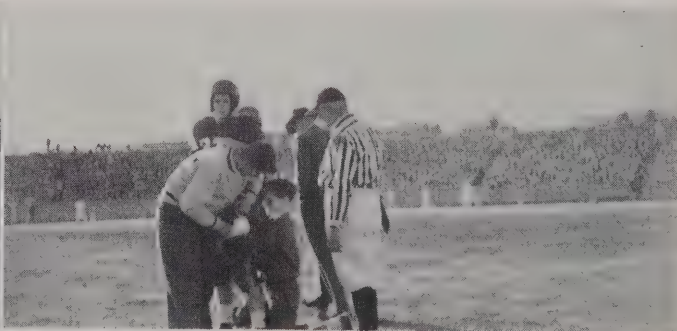

Tee Jay's eleven, headed by Co-Captains Harris and Rose, came through with a 4-4-1 marker this season. Prospects looked good for the Presidents as they began practice. The line was completely new this term except for Whitey Harris, center. However, Rose, Chumbley, Wallace, and Scott, all experienced ball-handlers, composed what was to be one of Tee Jay's best backfields. Coach Joseph Uram soon had our line whipped into shape, and the "Big Red Team" was ready and waiting for its first game.

True to form, Coach Shelburne Carmack's Red and White chargers went trouncing through the first three games of the season and came out on top every time. The Presidents went to Salem to meet a light, but fast, team. However, without too much trouble Tee Jay's eleven won with a 27-0 score. After seven years without a single Presidential victory, the Waves were forced to bow by a 14-0 score. The Petersburg

eleven threatened a tally only once throughout the game. George Washington's eleven was turned back by a score of 21-14. A blocked kick by Norman Scott in the first two minutes of the game set up the deciding touchdown for the Presidents.

The first defeat of the season was handed Tee Jay when Hampton's eleven ran over the Presidents for a 25-6 thumping. David Rose, the only Jeff player who seemed up to par that night, made Tee Jay's only tally and fought furiously throughout the game. The Crabbers' Dick Carneal and Tommy Edmonds accounted greatly for the Presidents' loss through their spectacular running and passing. The Presidents, though winning in downs 15-11, did not seem to have the extra push to get over the Crabbers' goal line.

Getting back on that good old winning side again, Coach Shelburne Carmack's eleven handed St. Christopher a 12-0 defeat, thus chalking up a win for our first game in City competition.

In a very close and scrappy game, Jefferson Senior High of Roanoke nipped the Presidents by a 13 to 6 score. Both lines fought each other to a virtual standstill, as indicated by the fact that all three touchdowns came via the air. Dave Rose sparked the Jeffs in this game. Carrying on the losing streak which was to last the rest of the season, except for a tie with John Marshall, the Presidents were handed an upset by Benedictine, a 12-7 defeat. Good blocking, running, and kicking added to give the game to the Cadets. Our only score was made by Russ Winn, who scampered over from the Cadets' four-yard line.

After a week of rest for both John Marshall and Tee Jay, the two cross-town rivals met each other at the City Stadium before a record crowd of more than 20,000 fans. Both teams, considered rather evenly matched, fought to a 13-13 tie in a thriller that will not be forgotten. Just before the first-half horn blew, the Jeffs recovered a Jay Em fumble, and minutes later Ed Ketchie, on a double reverse lateral pass, ran over for the tally. Ashworth kicked the extra point. In the third period the Justices cashed in on Tee Jay's only fumble to tie up the game; then they pushed 59 yards to take the lead by 6 points. Coming from behind in the fourth quarter, Norman Scott took a pass from Chumbley and ran 54 yards to set the ball on the Justices own 14, from which point Chumbley carried the ball over for the tying touchdown. The conversion was no good.

On Thanksgiving Day the Jeffs played Hopewell's Blue Devils on a very muddy field. The Blue Devils gave Tee Jay's eleven their fourth and last defeat as they won 20-14. This was the last game of the season for Tee Jay, and though it was lost, it marked the end of a tough schedule for the "Big Red Team," which did a fine job for the good ole "Red and White."

Dave Rose, who was the spark of the Jeffs' team, and who played a magnificent game this season, was given a berth on the 1948 All-State high school team. This was no surprise to the many fans who had watched him play. End Russ Winn received honorable mention for the team. He was the Presidents' top pass receiver and played a steadily fine defensive game.

First Row (Left to Right): Jabe Cooper, George Davis, Warren Mills, Ed Ketchie, Dick Jones. Second Row: Albert Oliver, Herbert Peters, Gale Dunn, Bill Gatten. Third Row: Coach Bloxom, Douglas Neal, Ray Perkins, Bob White, Manager.

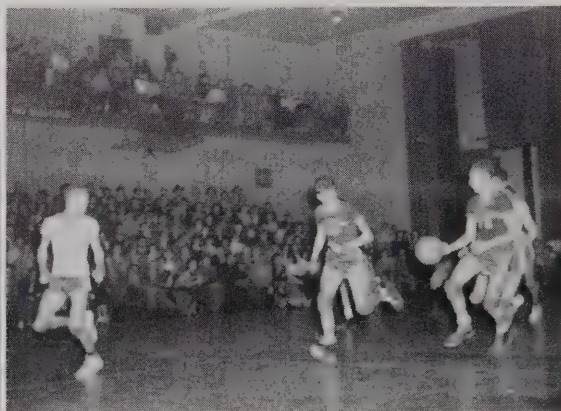

PRESIDENTS POST GOOD SEASON; UPSET JOHN MARSHALL 45-40 IN THRILLER

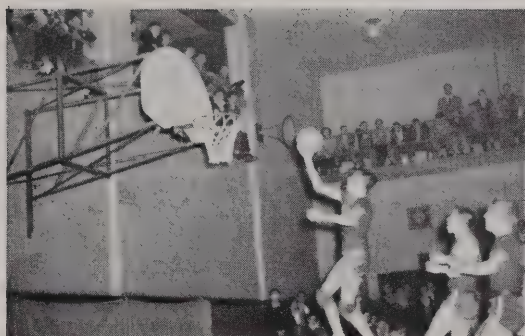

Since no lettermen returned this season to join Tee Jay's basketball team, Coach Welton "Spud" Bloxom had a green team with which to work, but he whipped them

into shape. After getting off to a slow start, they ended a fair season with a 9-5 count.

The Presidents, lacking valuable experience, dropped their opener to George Washington, 24 to 47. The next two games were also lost to E. C. Glass, 16 to 44, and to St. Christopher's, 20 to 31, before the Presidents broke into the win column by overwhelming Benedictine, 30 to 19.

Petersburg in the next game beat Tee Jay, 28 to 31, but the Jeffs, undaunted, came up with a 54 to 50 victory over Hopewell. Again, however, the Presidents were not able to stay in the win column and took their second loss at the hands of George Washington, 32 to 40. The first game with Jay Em was played at the Grays' Armory, where the Justices defeated Tee Jay 56 to 33.

The half-way mark having been passed, the experience picked up in previous games began to show; the Presidents downed Hopewell, 41 to 31, and continued this fine playing to defeat Lane 45 to 35 and St. Christopher's 54 to 48. The best game of the season for Tee Jay, however, was the upset over John Marshall, 45 to 40. A great part of this success was due to Coach Bloxsom's "five on three" defense, which consisted of putting five men in the key-hole and leaving them there.

In their two remaining games the Jeffs kept on the ball to defeat Lane, 43 to 42, and Benedictine, 49 to 38.

Tee Jay's high scorer for the season was Al Ford, with Skippy Thaw as a close second. They made 108 and 106 points, respectively. Third place went to George "Bus" Davis, who racked up 101 points, although he didn't join the team until the sixth game.

GIRLS' BASKETBALL

After long practice sessions under the guidance of Miss Mildred Brame, the First Ladies started their season off with a bang by defeating Hopewell, Collegiate, Petersburg, and St. Catherine's. Then came the John Marshall game. Their cross-town rivals edged the Tee Jay femmes by a score of 19-15. This loss, however, was avenged by the reserve team, which came out on the long end of a 35-21 count over Jay Em.

One of the most exciting games of the season was the tilt with St. Catherine's, which, after a good deal of cheering and fingernail biting, ended in a 30-20 victory for Tee Jay.

The Virginia Prep School Basketball Tournament was held this year in the Petersburg High School gymnasium for the purpose of selecting the 1949 All Prep Team. Because of the consistent playing and spirit of every player on the team, the First Ladies came out on top in tournament play, defeating John Marshall, Hopewell, and Petersburg. In addition, they placed two players on the All Prep. Later at the Tee Jay Varsity versus Faculty game some people claimed the Flappers won, while others said the Bloomer Babes were victorious. It's still anybody's guess.

The team this year showed good sportsmanship and a lot of spirit. Their attitude of playing to have a good time, instead of making each game a matter of winning

FIELD HOCKEY

Although the 1948 season does not look too successful by cold figures of games lost and won, it was most successful in building fine character and good sportsmanship in the players. Under the guidance of their coach, Miss Todd, the members of the team developed a fine spirit of team work. Also, they learned to strive to play their best and be good losers as well as good winners. ★ Three shin-crackers returned from last year's varsity team, Janet Johnston, Betsy Williams, and Mary Anne Henley. ★ For the City All-Prep Team, one of our girls, Janet Johnston, was selected for the first team and two others, Juliet Moore and Anne Klutz, were selected for the second.

TRACK, 1949

Under the guidance of Coaches George Gonda and Edward N. Smith, the 1949 Thomas Jefferson Track Team completed a very successful season. • After a good start in the early indoor meets, the Jeffs regained the City Indoor Championship from John Marshall, by 40-22. • The Red and White squad compiled an undefeated record in dual meets before bowing to Woodberry Forest. Two easy wins, over E. C. Glass and Petersburg, preceded the Tidewater meet, where the Tee Jay cindermen finished second only to Newport News. The Jeff thin-clads also gained a victory over George Washington of Alexandria. • Leading the way in the sprints and dashes were Charles Nuttycombe, Norman Plunkett, Ed Heinz, and Bill Wimbish. Top hurdlers were Jack Davis and Buddy Arnold. Co-Captain Jack Miller and Tom Harlan excelled in the 880. George Parsons, aided by Jack Mocha, turned in sparkling performances in the mile. Outstanding weightmen included Melton Ashworth, Floyd Tyson, and Calvin Harris.

BASEBALL, 1948-1949

Tee Jay's varsity baseball team, sparked by Pitcher Ed Ketchie, who pitched a no-hit game, defeated Lane High of Charlottesville by a score of 7-1 in their second game of the season. • Coached by Welton "Spud" Bloxsom, the Presidents dropped their opener to John Marshall 8-5. After running over Lane 7-1, they lost to Petersburg and Hopewell 2-0 and 5-4 respectively. In the second game with Petersburg, Everett Hobson hit a home run with bases loaded, and thus helped the Presidents to win by a score of 10-2. • In two "heartbreakers" Tee Jay lost two eleven-inning games, the first to St. Christopher's 1-0 in a pitchers' battle, and the second to Benedictine 6-3. The next game with Hopewell was lost by the Presidents in an uneventful game. The score was 3-1. • Tee Jay's varsity baseball has four more games to play to complete the season. These games will be with Benedictine, John Marshall, St. Christopher's, and Lane.

GIRLS' SOFTBALL

The 1948 Softball squad had a very successful season, winning four games and losing three. Schools played were John Marshall, Hopewell, Petersburg, and Midlothian. • This spring a large number of freshmen turned out to fill the five varsity berths vacated by graduates. These first year men have shown great promise towards building up a highly successful team. From the four returning letter-men, Mary Anne Henley was chosen as captain. • The coach, Miss Brame, aside from instructing the girls in softball, teaches them that teamwork is necessary to win a game and that softball is to be played for enjoyment more than winning and losing games.

TENNIS, 1949

INTRAMURAL TOURNAMENT HIGHLIGHTS SEASON—Keen interest is being shown in tennis by the large number of girls who answered the summons of their coach, Miss Todd. Although the racqueteers are not playing other schools this season, they will each participate in a tournament run off to determine the best player within the school. Workouts at Byrd Park have shown evidence of strong competition. Last year the team won two games against John Marshall and one against St. Catherine's, each by a score of 3-2.

PRESIDENTS—DEFENDING STATE CHAMPIONS—Coach Sam Woods for the second time in five years has a defending state championship tennis squad. • Led by Captain Bobby Payne, the Thomas Jefferson racqueteers officially opened the season at Byrd Park with a smashing 8-1 victory over Hopewell's Blue Devils. In their next two matches the Presidents waltzed to 7-2 and 9-0 victories over Glass of Lynchburg and Maury of Norfolk, respectively. • Gene Wash, the sensational white-haired freshman, is holding down the top position for the tennis squad.

Standing: Donny Lacy, Bobby Armstrong, Gene Wash, Tom Wiley, Joel Cohen. Kneeling: Malcolm Kalman, Bobby Payne.

The Mark of a Champion!

When a young man can face the business world with the same undaunted courage that he bucks the line in football, and can take the bumps that inevitably will come to him in business, and can keep his fighting spirit and keep smiling . . . then he has the mark of a champion. The world needs young men like this and the world will make way for them. The life insurance business needs such men, so why not prepare yourself for a career in the life insurance business. It's a business of opportunity for young men of ambition and vision.

A good investment and a lasting one

WHERE JEFFERSON WENT TO
SCHOOL BEFORE HE ENTERED
WILLIAM AND MARY COLLEGE

Tuckahoe, near Richmond, the one room
schoolhouse where young Thomas received
his grammar grade schooling.

THE Learning which you have made yours through school years will enrich your future far more than many of the material things which you will acquire. Not just the lore of books and study . . . but the valuable lessons of Americanism, teamwork, good fellowship, and wholesomeness. And because you've learned that good health is essential to a happy and useful life . . . keep on with your good health diet . . . which naturally includes plenty of milk!

Congratulations . . . good wishes

Graduation and Annuals

A well planned, well printed Annual is an important part of graduation in permanently preserving happy memories. Having produced Annuals for many years leads us to observe that only the well planned, well printed Annual is fully acceptable.
